

Enjoy various delicacies from various Franconian appellations

Starting at 19:30, we will welcome you to the wine cellar at the Bürgerspital*.

Wrap up the evening with us and enjoy a leisurely wine tasting featuring a gourmet platter (of fish, meat and cheese), accompanied by eight wines from one of the largest, oldest and most renowned German vineyards.

* blue "pushpin" on the map; the green pushpin marks the Residenz, which is the location of the experts' colloquium.

[Display the location for the experts' presentations and the special evening event](#) on a larger map.
