Dr. Juergen Lenssen

Based on designs by canon Dr. Juergen Lenssen, we could perform different works in Lower Franconia, churches and religious buildings, such as:

- Aschaffenburg, Martinushaus
- Fellen, Saint John the Baptist
- Kleinmuenster, Saint Margarita
- Mainbernheim, Saint John
- Michelbach, St. Lawrence
- Waldbrunn, Saint Nicholas
- Wuerzburg, Ritterschwestern

These designs typically characterized from a high clarity and an impressive impact using relatively simple methods.
