## Even in exclusive furniture, designed glass offers fascinating possibilities

In this context, possible techniques are, for instance:

- Sand-blasting technique
- Fusing technique
- Leaded glass
- Mosaics

These designed panes are applied i.e. as follows or as:

- inlaid elements
- panelling
- Tables or tabletops
- Cabinet doors

Man-made alabaster as panelling for a counter

Fusing pane as inlay work in a table

Mosaic in a room divider
